

Minding the Attribution Gap

Jorge Merino

EkoRural

Acknowledgements

The people of Dhikurpokhari

International Development Enterprises in Nepal

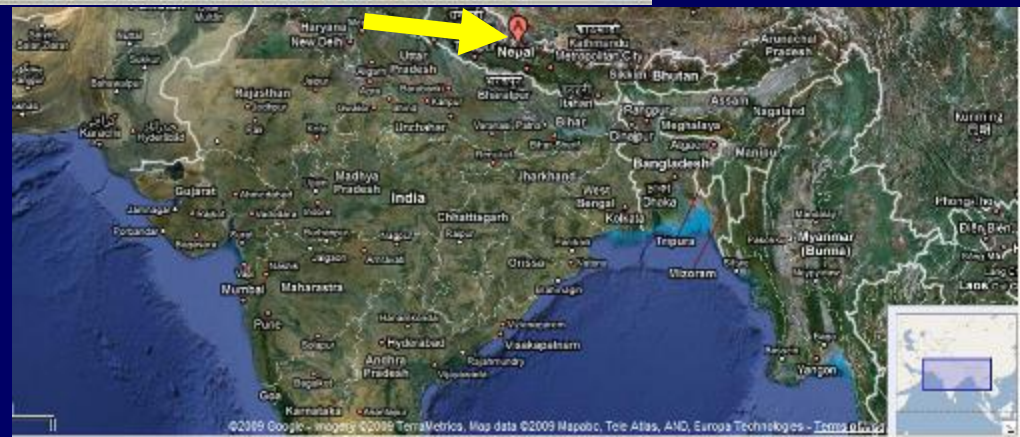

Winrock International in Nepal

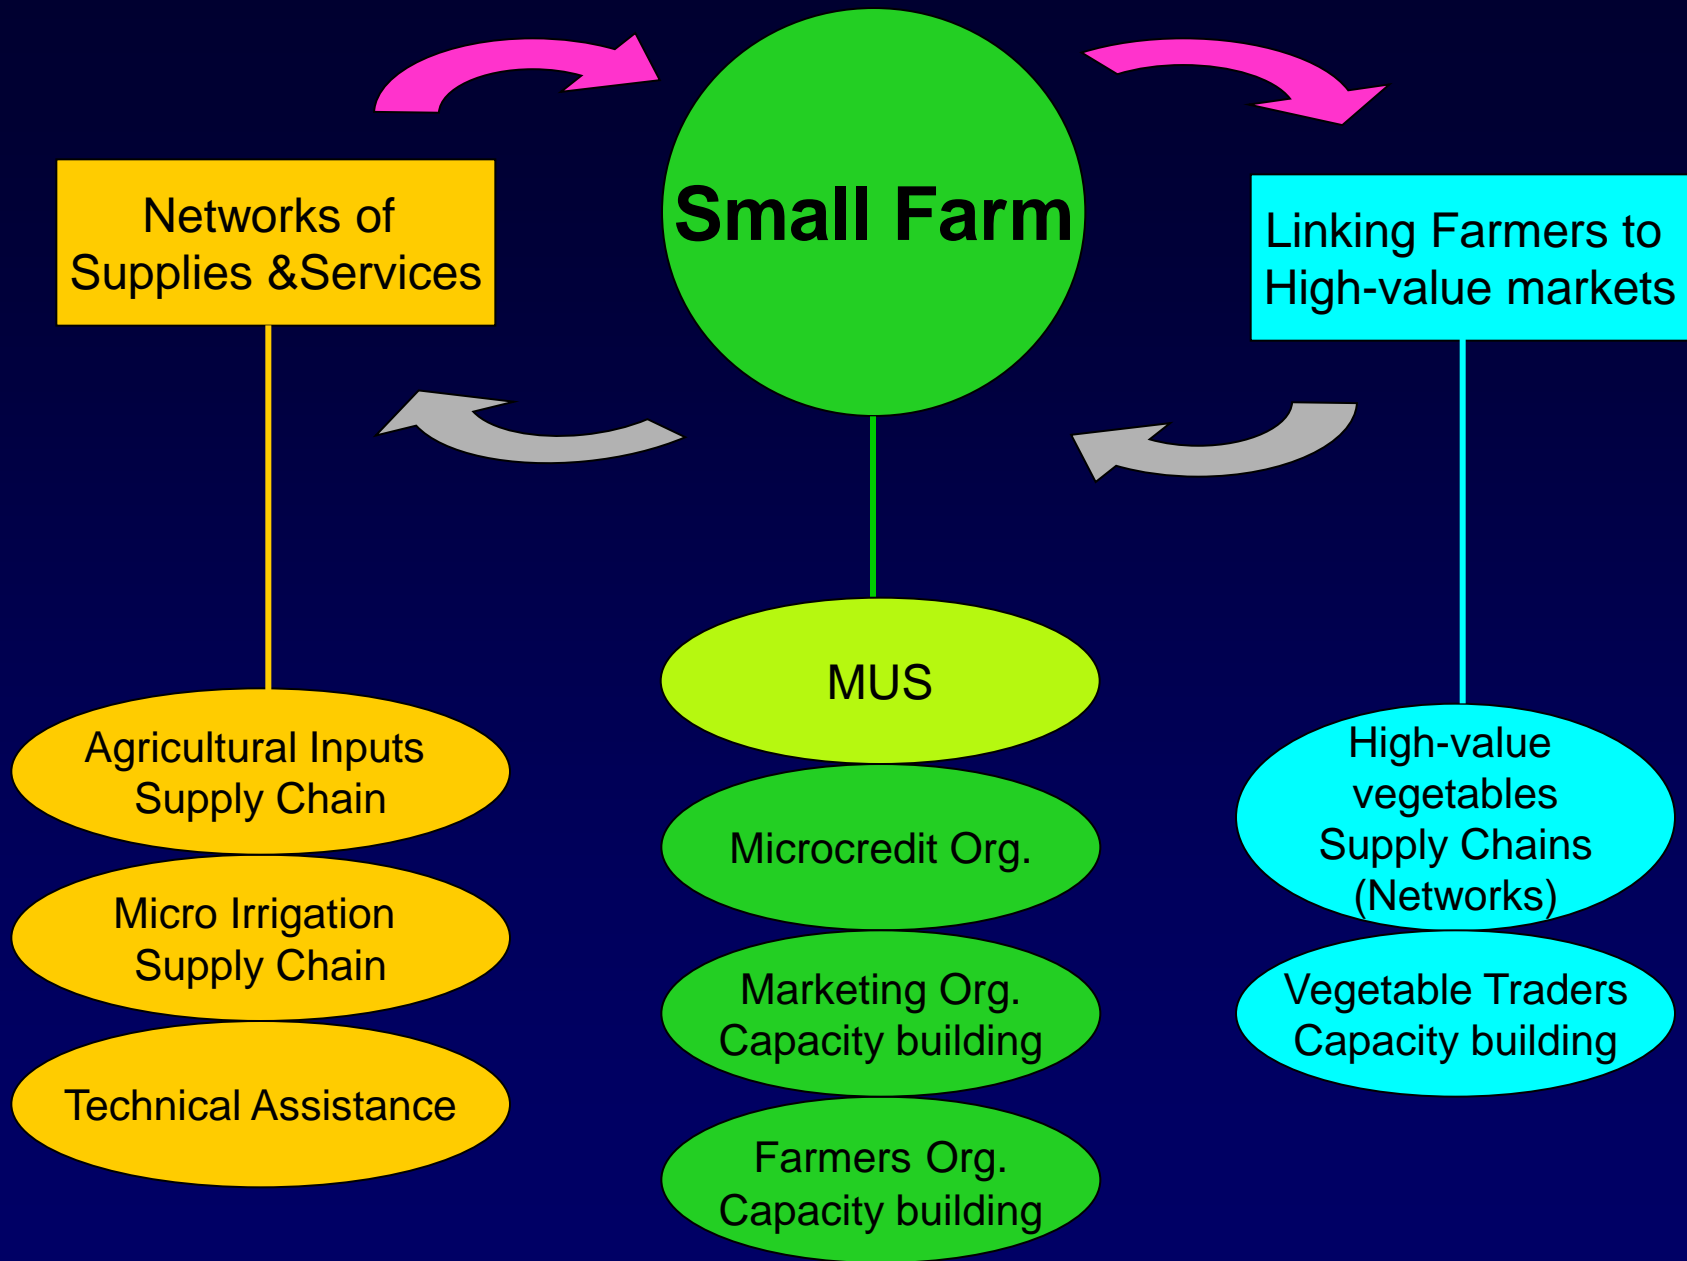

Wageningen University

The project in Nepal

Poverty Reduction through Irrigation and Smallholder Markets (PRISM) Programs

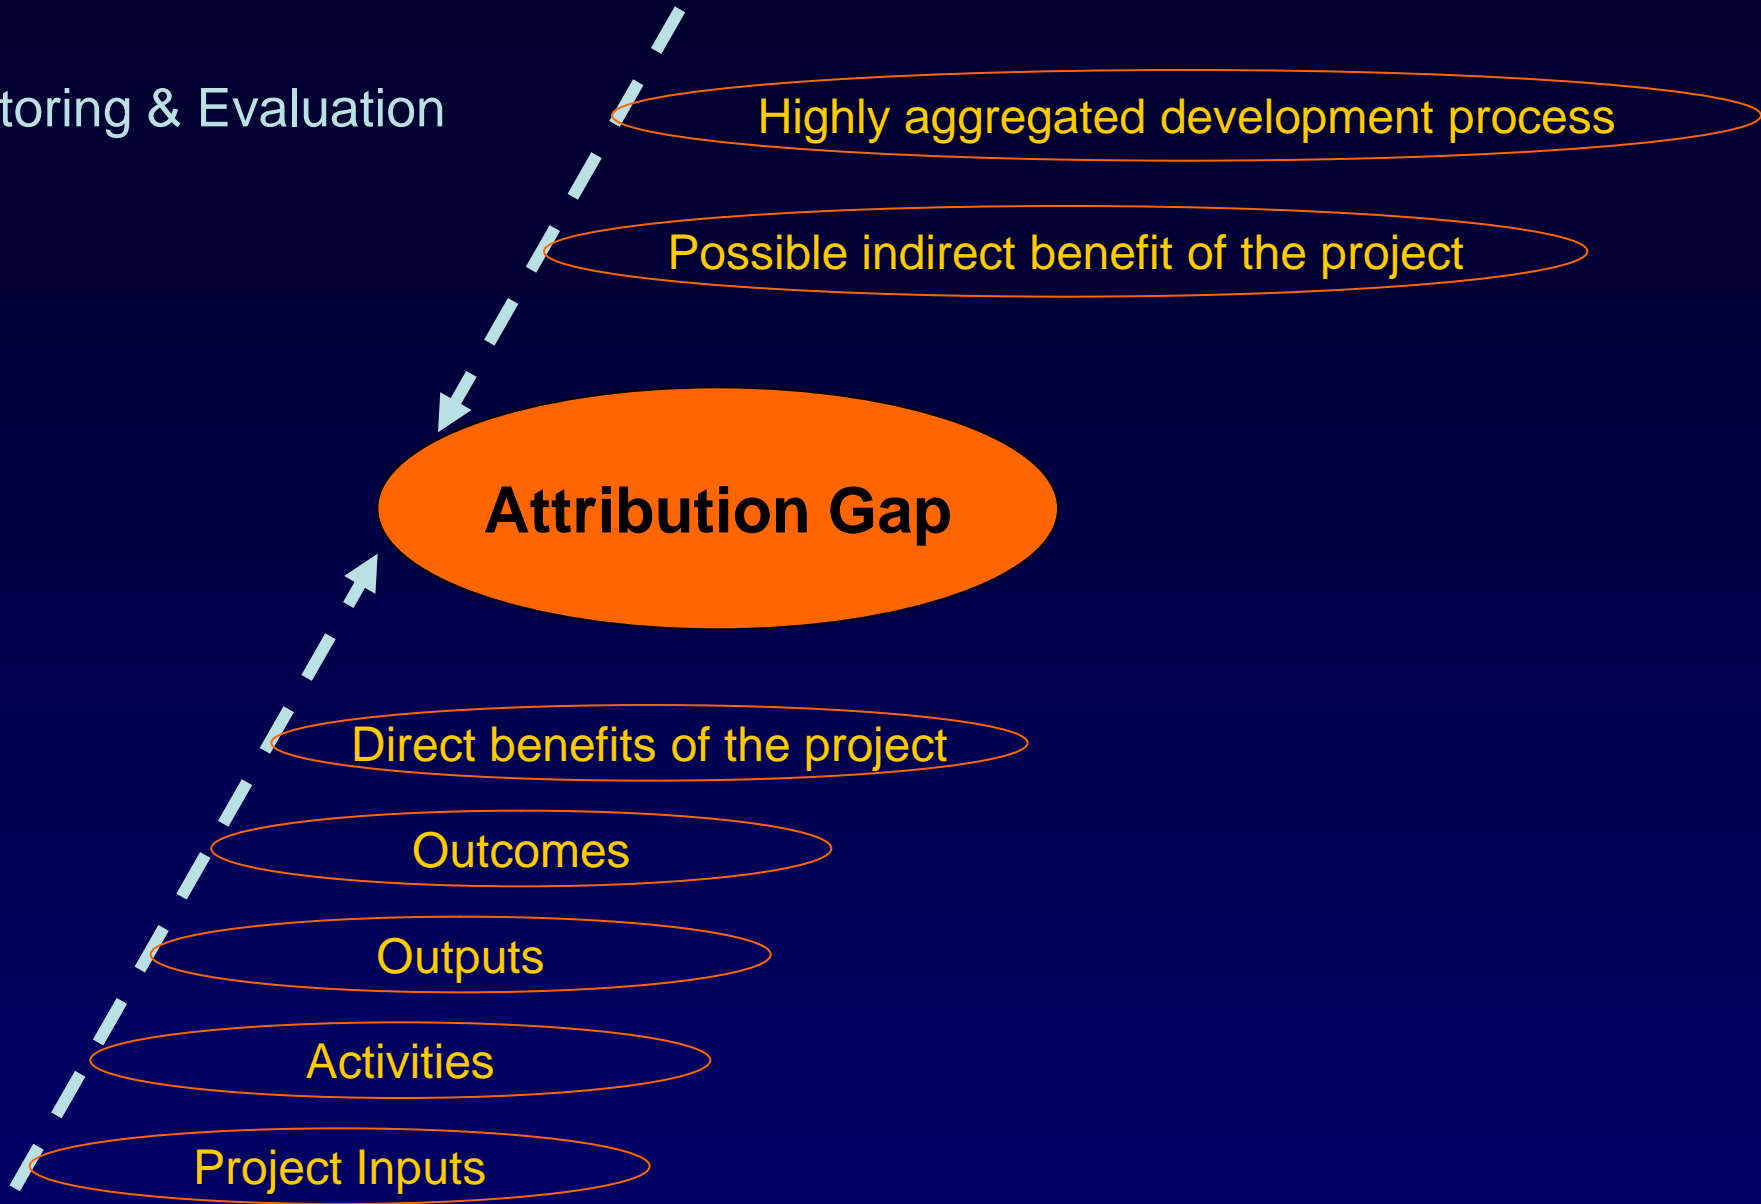

Supply Chain of MIT and Agricultural Inputs

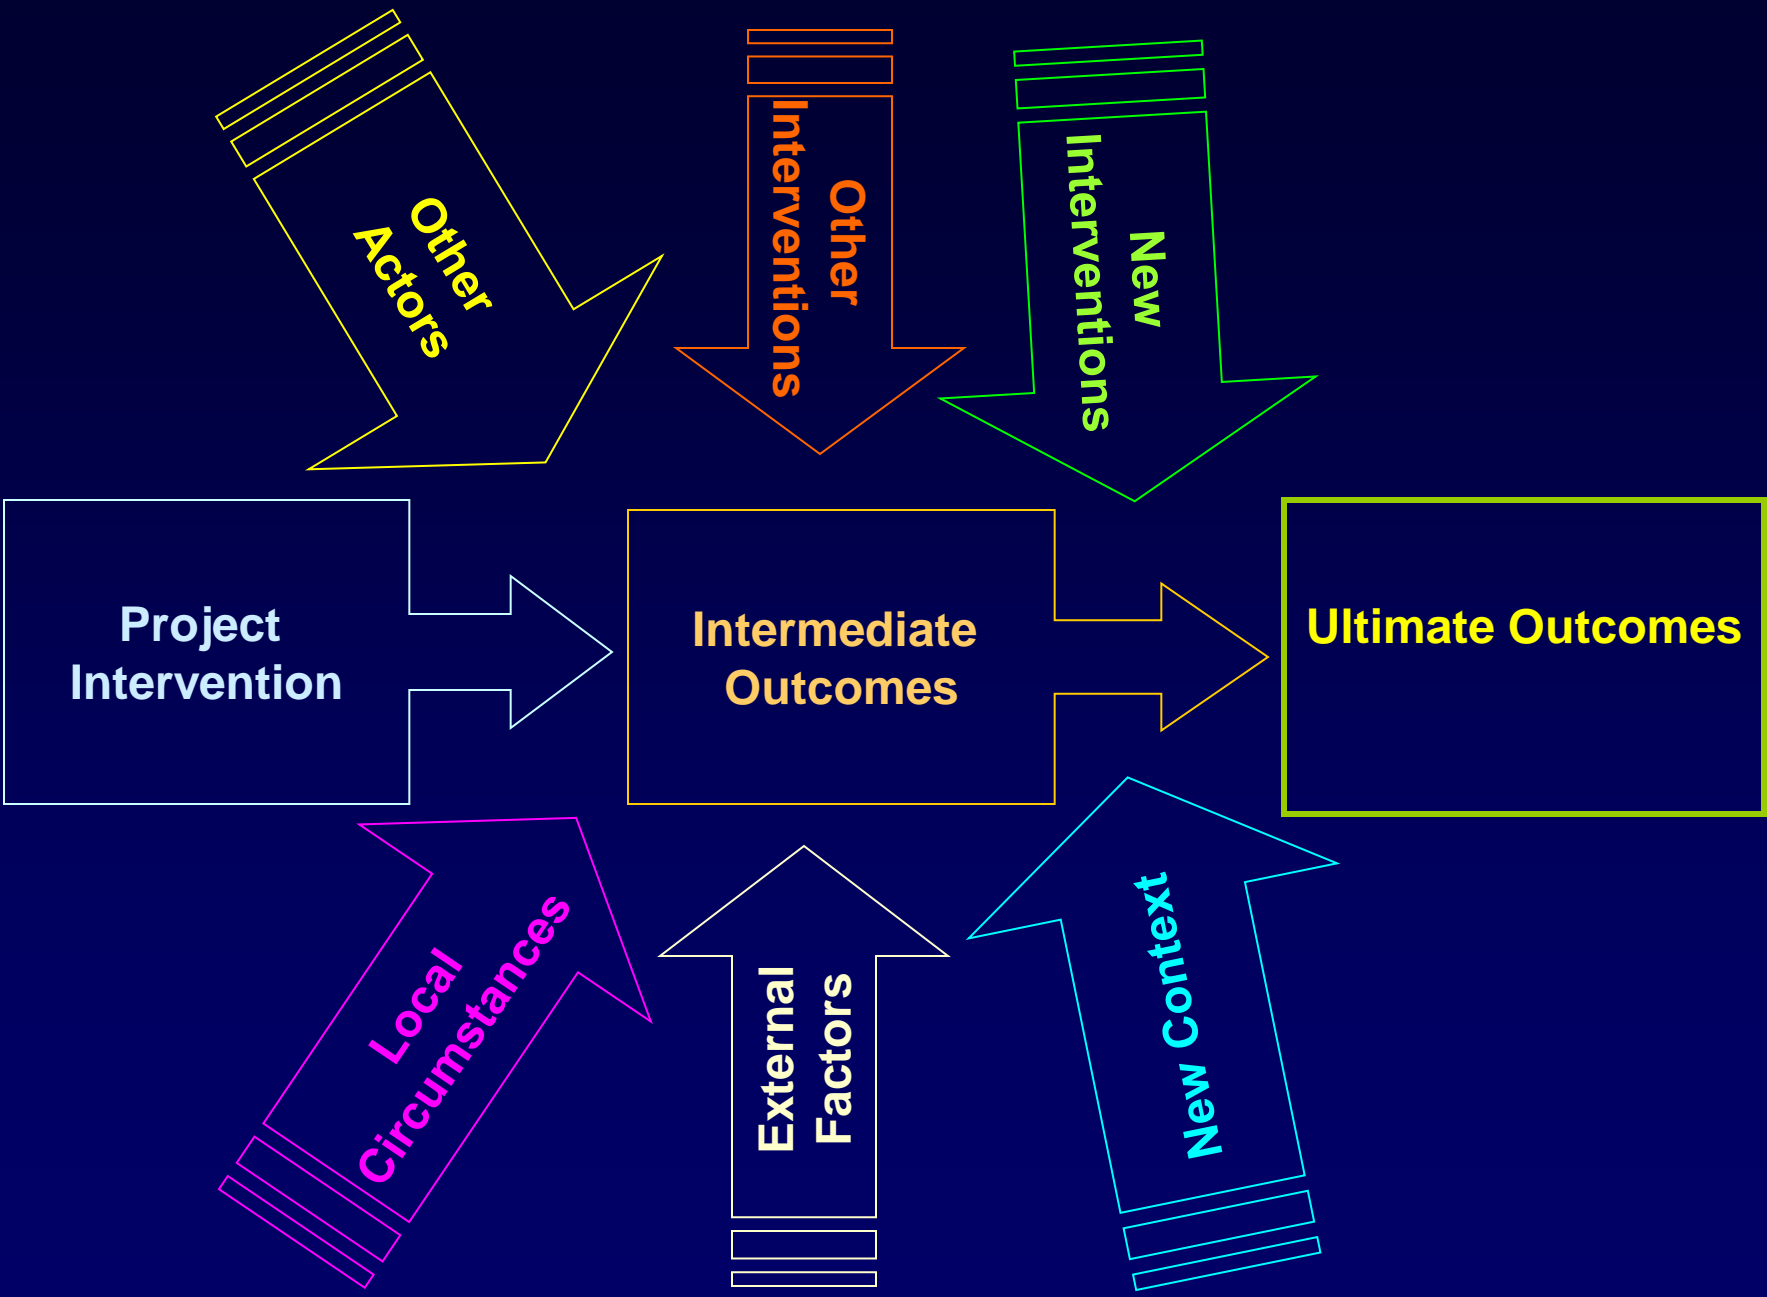

Linking Farmers to Markets

Monitoring & Evaluation

Some lessons learnt ...

- Include in ABC key contextual factors influencing the outcomes of projects.
- As well as the different key actors and their contributions to the outcomes of projects.
- *Mind the Gap or Bridge the Gap?*

Thank you
very much !
